

## **CAPITAL MONTESSORI SCHOOL FEES, 2012**

### **Fees**

There is a non-refundable \$100 registration fee.

Tuition fees are payable each term and are due 2 weeks after the first day of term. Alternatively, parents may pay via evenly spread monthly automatic payments with the first payment being due in the first week of term.

Capital Montessori has adopted the 20 Hours ECE which was brought in by the government for 3-4 year olds in 2007 and extended to 5 year olds in 2010 . A flat fee is charged for the hours over and above the 20 Hours ECE, ranging from 1-9 extra hours. The fee is reviewed each year.

With attestation for 20 hours ECE: 10 week term: \$600 flat fee per term

Without attestation for 20 hours ECE: 10 week term: \$1600 flat fee per term

### **Bond and Enrolment Fee**

Parents who have accepted a place at Capital for their child will need to pay a refundable Bond which equates to half a term's fee (currently \$300) and an Enrolment Fee of \$300 in order to confirm their place at Capital. Payment will be required at least a term before the start date. The Enrolment Fee is non-refundable but will be credited towards the first term's fees. The bond is refunded when the child leaves Capital or can be held for a sibling.

### **Childcare Subsidy available from WINZ**
